

Passwordless login with Google Passkeys

Compatibility

PrestaShop 1.7.6.5 – 8.x

Goal

Passkeys by Google are a safer and easier alternative to passwords. **Users** and **Admins** can log in with a **biometric sensor** (such as a fingerprint or facial recognition), **PIN**, or pattern, freeing them from having to remember and manage passwords.

Benefits for Merchants

- **Passkeys by Google security and reliability**
- You do **NOT** need any Google accounts
- **Biometric** sensor (such as a **fingerprint** and **facial** recognition) or **PIN** code **login** without entering a password every time
- Works for Android, iOS, Windows and any other devices with a Biometric sensor or PIN
- Most modern devices (smartphones, tablets and laptops) support
- Increased **site usability** - simplified authorization allows your **customers** to **log in quickly and easily**
- Eliminates the problem that your customers forget their login or password - they will be able to log in using the device authorization method
- **Admin** and **store managers** can also easily log in to the admin panel

Benefits for customers

- Eliminates one of the biggest problems for users – using a login and password every time
- Users should not remember their login and password anymore
- Makes the account authorization quick and easy

Features

- Creating a Google Passkey for login both for admin and customers
- Authorization using Google Passkey
- **Biometric** sensor (such as a **fingerprint** and **facial** recognition) or **PIN** code **login**
- Authorization using a Passkey on the backend for admins and managers

1. Creating a Paykey by user (customer)

The first step is to create a new account or log in to an existing one by entering a login and password:

The screenshot shows the top navigation bar of a web store. On the left is a 'Contact us' link. On the right are 'English' (with a dropdown arrow), 'Sign in' (with a user icon), and 'Cart (0)' (with a shopping cart icon). Below the navigation bar is a search bar with the text 'Search our catalog' and a magnifying glass icon. The main content area has a breadcrumb trail 'Home / Log in to your account' and a heading 'Log in to your account'. The login form contains an 'Email' field with the text 'example@mail.com', a 'Password' field with masked characters and a 'SHOW' button, a 'Forgot your password?' link, and a blue 'SIGN IN' button. Red arrows point to the 'Sign in' link in the top right, the email field, the password field, and the 'SIGN IN' button.

Open the user's account and click the "Create a passkey" button:

Use the authorization method configured on your device (Windows OS on example below):

After that, the passkey will be generated and it will appear in the table under the button:

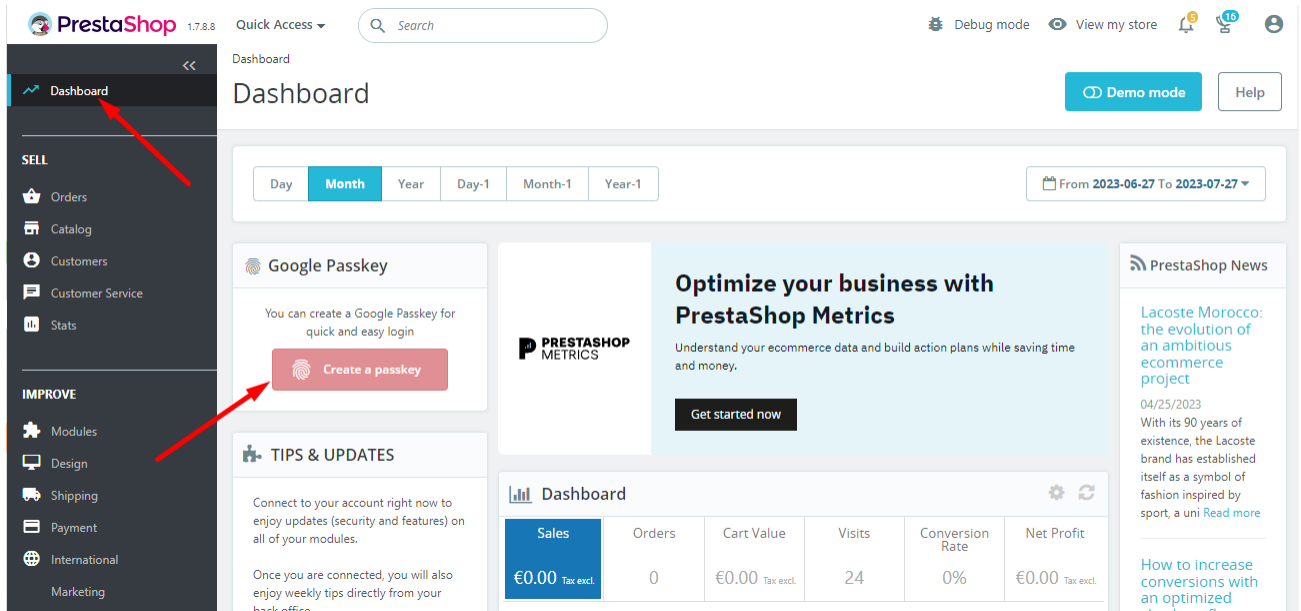

You can rename or delete a key using the **edit** or **delete** buttons:

2. Creating a key for the administrator

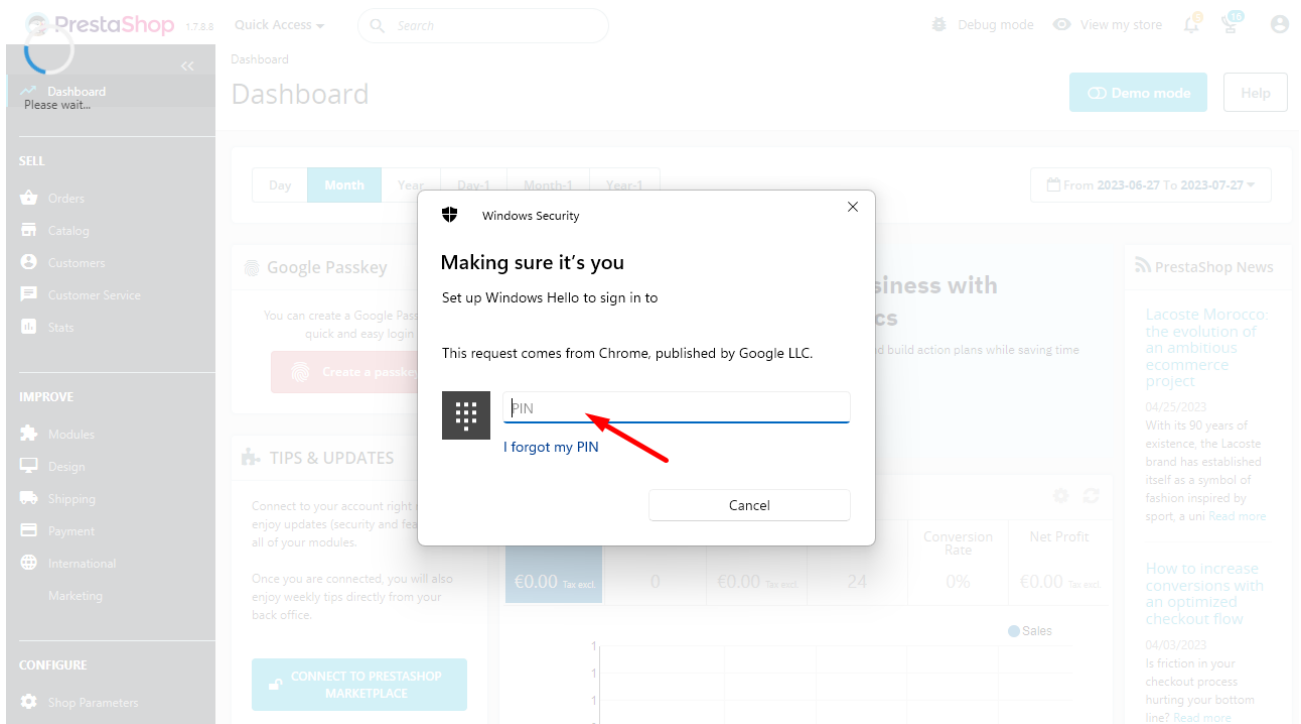

In the admin panel, go to the **Dashboard** page and click the **Create a passkey** button:

The screenshot shows the PrestaShop admin dashboard. The left sidebar contains navigation menus for 'SELL' (Orders, Catalog, Customers, Customer Service, Stats) and 'IMPROVE' (Modules, Design, Shipping, Payment, International, Marketing). The main content area is titled 'Dashboard' and includes a 'Google Passkey' section with a 'Create a passkey' button highlighted by a red arrow. Other sections include 'PRESTASHOP METRICS', 'Optimize your business with PrestaShop Metrics', 'TIPS & UPDATES', and a 'Dashboard' table with the following data:

Sales	Orders	Cart Value	Visits	Conversion Rate	Net Profit
€0.00 Tax excl.	0	€0.00 Tax excl.	24	0%	€0.00 Tax excl.

Use the authorization method configured on your device:

The screenshot shows the PrestaShop admin dashboard with a Windows Security dialog box overlaid. The dialog box is titled 'Making sure it's you' and prompts the user to 'Set up Windows Hello to sign in to'. It states 'This request comes from Chrome, published by Google LLC.' and has a text input field containing 'PIN' with a red arrow pointing to it. There is also a link for 'I forgot my PIN' and a 'Cancel' button.

After that, the key will be generated and it will appear in the table under the button:

The screenshot shows the PrestaShop dashboard interface. On the left is a dark sidebar with navigation menus for 'SELL' (Orders, Catalog, Customers, Customer Service, Stats) and 'IMPROVE' (Modules, Design, Shipping, Payment, International, Marketing). The main content area is titled 'Dashboard' and includes a search bar, 'Quick Access', and 'Debug mode' options. Below the header, there are tabs for 'Day', 'Month', 'Year', 'Day-1', 'Month-1', and 'Year-1', along with a date range selector for 'From 2023-06-27 To 2023-07-27'. The 'Google Passkey' section is prominent, featuring a 'Create a passkey' button and a table for 'Your registered passkeys:'. The table has a single entry labeled 'Windows'. Below the table are 'edit' (pencil icon) and 'delete' (trash icon) buttons. A red arrow points to the 'Windows' text. Other sections include 'PRESTASHOP METRICS' with a 'Get started now' button, 'PrestaShop News' with an article about Lacoste Morocco, and a 'DASHBOARD' table with columns for Sales, Orders, Cart Value, Visits, Conversion Rate, and Net Profit.

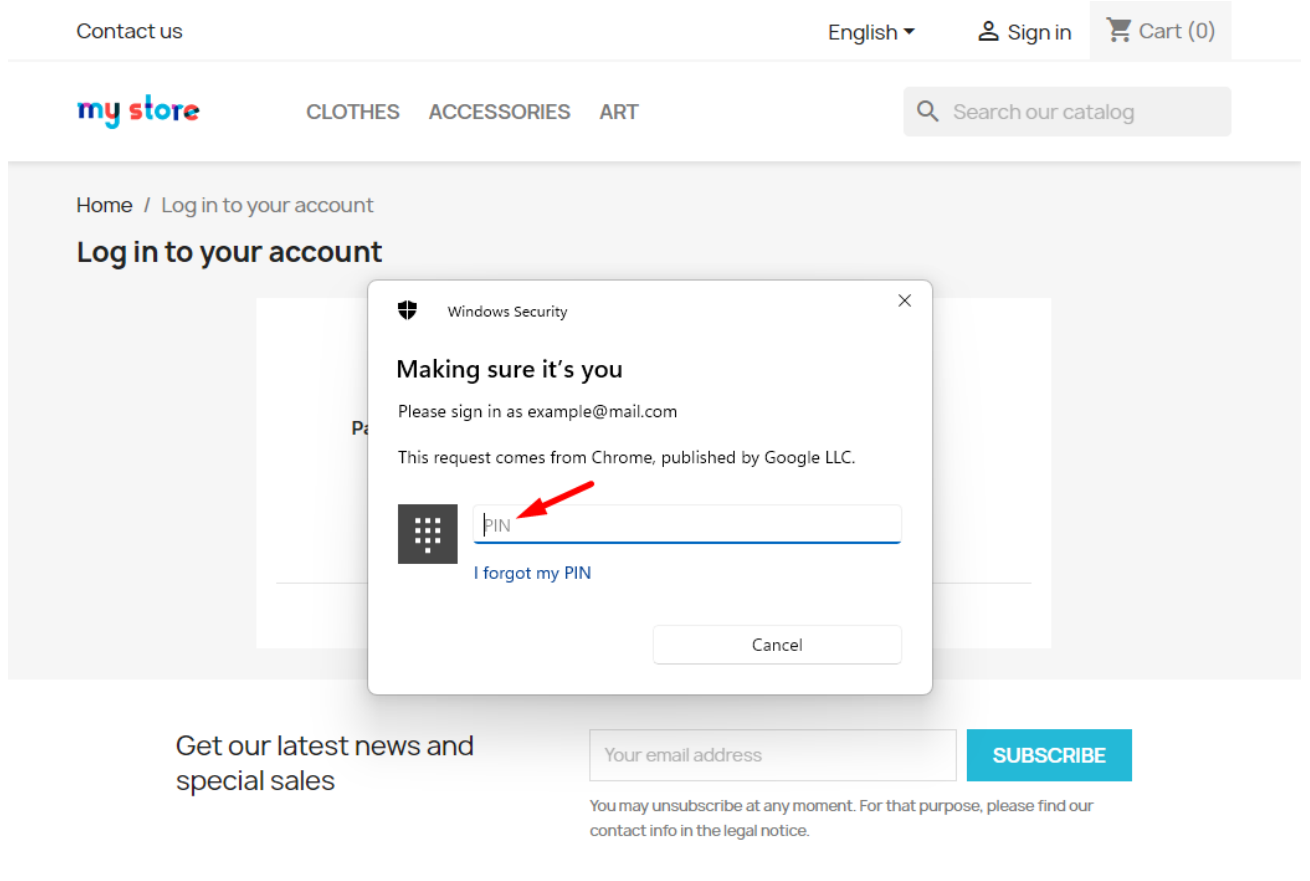

Sales	Orders	Cart Value	Visits	Conversion Rate	Net Profit
€0.00 Tax excl.	0	€0.00 Tax excl.	24	0%	€0.00 Tax excl.

You can rename or delete a key using the **edit** or **delete** buttons:

This screenshot is identical to the one above, but with two red arrows pointing to the 'edit' (pencil icon) and 'delete' (trash icon) buttons located below the 'Your registered passkeys:' table. The 'Windows' entry is still visible in the table.

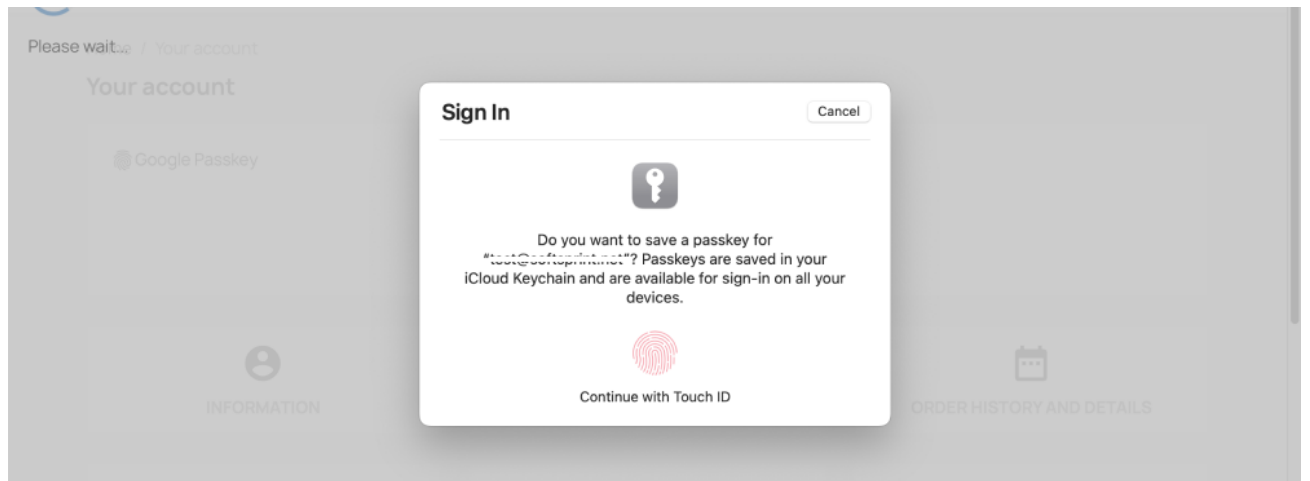

Sales	Orders	Cart Value	Visits	Conversion Rate	Net Profit
€0.00 Tax excl.	0	€0.00 Tax excl.	24	0%	€0.00 Tax excl.

Use the authorization method configured on your device:

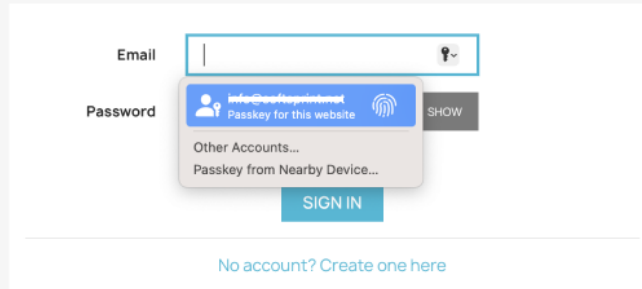

Wait for the operation to complete and you will be successfully authorized and redirected to the target page!

MAC OS example:

Home / Log in to your account

Log in to your account

The screenshot shows a login form with an 'Email' field and a 'Password' field. A passkey overlay is visible, displaying the email 'info@craftsprint.net', a 'Passkey for this website' label, and a 'SHOW' button. Below the overlay is a 'SIGN IN' button. At the bottom of the form, there is a link: 'No account? Create one here'.
